GRADES 1/2 & 3/4 FALL SOCCER LEAGUE

South Portland Parks and Recreation offers a Youth Soccer League for boys and girls in grades 1 through 4. The purpose of this program is to promote soccer skill development in an environment which will enhance the physical, social and emotional growth of the child as he/she learns to become part of a team and work with others. Sportsmanship will be stressed on all teams, with the ultimate goal of having FUN! Girls and boys will play on separate teams. Teams will practice 1-2 times during the week in the evening and play 1 game each Saturday in South Portland. Includes team shirt. **We do not allow Kindergarteners to play in this league, no exceptions will be made.**
